Killing your enemies as quickly as possible is the key to winning pistons in the Call of Duty: Warzone, so here are the weapons with the lowest TTK of Warzone Season 5. With Warzone with over 100 weapons to choose from, Å You need to choose the carout wisely. There are several factors to consider, such as mobility, recoil and range, but perhaps the most important factor is time-to-kill (or TTK). More is the TTK of your weapon, the better. This means that they kill your enemy as fast as possible, giving you the å €
