SEDRO Details Details The problematic development and production of the 2003 cult film The room, the struggles of him as a young actor and his relationship with the director of the Tommy Wiseau room. [1] A cinematographic adaptation with the same name was released in 2017, direct and fenced James Franco as Wiseau and Him brother of him dave Franco as Sestero. Sinoxi 19-year-old Greg Sesterero, an aspiring actor who fights with confidence, the first matches Tommy Wisau in a acting class held by Jean Shelton to San Francisco. Sesto is at the beginning perplexed by Wisau's over-the-top acting technique, its unusual physical appearance, its mysterious accent and eccentric behavior of him, which includes a charm with American culture and a refusal to discuss the past of him. At the same time, Sestio admires Wiseau's audacity and its genuine enthusiasm for life and acting. The two form a strange but affectionate bond as a strainer begins to learn the many contradictions of Wisau's personality. Segni taught with talented agent Iris Burton; While slowly more acting credits and makes more friends, wiseau grows jealous, schemes to earn Similar (how to earn a paper bag producing and boosting in a commercial for a company that he himself possessed) and threatens to browse him from the apartment of Los Angeles is lending to him, conducting sestrop become uncomfortable with their relationship. After seeing Mr. Ripley's talent for the first time, dressed by how much WiseAu is the title character. However, when Wiseau also sees the film, instead of recognizing their behavior, it is deeply impressed by it and becomes obsessed with the creation of an equally powerful work. Then he disappears from Greg's life for nine months e during which their occasional phone calls often indicate that Wiseau had become depressed and suicidalA e but in the end returns to Los Angeles with a script finished for his film: The Room, which includes a character, Mark, takes the name from Ripley actor Matt Damon (whose name was Wiseau Misremembered). Supported by an apparently endless, mysterious money supply, Wiseau develops, produces, directs and stars in the room, despite having no knowledge of cinema. On-set relationships are a disaster: history in itself is meaningless and full of plots that are never addressed or resolved (a question complicated by Wiseau refusing to give anyone a complete copy of the script); Wiseau camera set-up requires two crews to operate, actors and storm crew out of the set, dialogue and block are constantly optimized, set are dismantled only to be rebuilt and re-shot the following day, and at the last time possible, convinces Wiseau Sestero to play Mark, despite the role you were already thrown. At the end of the filming, the surrounding, together with the rest of the cast and the troupe, convinced that the film will never be seen and lose their enthusiasm, resulting in little brilliant performance, as well as technical and narration errors that turn out to be corrected In post production. Production also takes his toll on the seestero relationship with his girlfriend, who breaks with him after the portion of Los Angeles of the end of the shoot; As a means of moral lifting of string, Wiseau writes additional scenes to perform the best during the second resume Unit at San Francisco, which runs much more smooth. These memories are sometimes interspersed with "sad, fantastic self-contradictory stories" on Wiseau's conflictual past, which includes what these experiences seems to be ridiculous for his interest in America, while they grow in a country of unidentified eastern block He was threatened with death from sadistic French policemen, and quietly passing by a seller yo-yo and toy birds to a real estate real estate magentate, which serve to highlight his motivations for attempting to enter the cinema. Shortly after turning the ends, Wiseau gives a pre-assembly of the film as a goodbye gift. Stereo screens for the family of him, who are kidnapped by the bizarre ineptitude of him. Their reaction turns out to be prophetic when, eight months later, Wiseau ensures a release for the film, which starts his reputation as a cult as a "fourth power of ugly films". The ends of books with the meditation of stringent on how Wiseau's management of the creation of the room demonstrates the power (and danger) of unconditional faith in their dreams. Adaptation of the film Main article: The artist disaster (film) A homonymous film adaptation, direct, co-produced and interpreted by James Franco such as Wiseau and Dave Franco as a stringent, previewed at South by Southwest on 12 March 2017, and was On the United States a e
