BackBeat FIT 3200

Your headset is not paired to your phone.

1) With the both earbuds off, hold the button on the primary earbud for four seconds until you hear Pairing. Power on the secondary earbud by pressing on the button for 2 seconds.

2) When you see a blinking red and white light, select Got It.

Got it!

You need to enter the device you want to pair and rotate the Bluetooth feature first. 2. Then you need to put the headset in pairing mode so your phone can find it. Find your model earpiece in the instructions below. Since the earpiece is in Pairing mode you will need to follow the instructions on your mobile phone or use guide of the Bluetooth device on how to go to your phone and look for the earpiece pairing to a Bluetooth headset. The access key to © 0000 (4 Zeros) other than models M1000 and M1500 (see below) Plantronics Explorer 220, 230, 320, 330, 340, 350, 360, 370, 380, 390 Plantronics Voyager 520, 815, 835, 855 Plantronics Discovery 610, 640, 645, 655, 665, 925, 975 Plantronics K100 1. Start with the headset off. Press and hold the Silver Call Control button in 6-10 seconds. The light will blink blue first. Continue to hold the button down, then drop the button when the indicator light starts flashing red then blue. 2. Drop the button and set the headset aside. Follow the pairing instructions for your cell phone or other Bluetooth device. If requested for a pass, enter 0000 (four zeros) Plantronics M100 Plantronics M1100 Plantronics Explorer 210, 240, 242, 243, 245, 395 1. Turn your headset on. Press and hold the call control button for five or six seconds until © Let the light start flashing an alternating red-blue. Drop the button and put the earpiece aside. 2. Follow the pairing instructions for your mobile phone or other Bluetooth device. If a pass is requested, enter 0000 (four zeros). Note: Do not be alarmed if your phone does not request a passkey, because many telephones do not. Plantronics Voyager Pro, Pro+ Plantronics Backbeat 903, 903+ 1. Start by turning off your headphone. Press and hold the feed button for five or six seconds that the light starts flashing an alternating blue-red. drop the button and put the headset aside. 2. follow the pairing instructions for your cell cell cell other Bluetooth device. If you are prompted for a pass, enter 0000 (four zeros.) ***** For the oldest and discontinued models What's going on? For Plantronics 510 Voyager: pressing and holding the call control button and holding the volume up at the same time until the indicator light on the headset starts blinking red so blue. Plantronics 655, 665 Start with the headset off. Press and hold the silver call control button in 6-10 seconds. The light blinking blue first. Continue to hold the button down, then release the button when the indicator light starts to flash red then. Plantronics Discovery 640, 645, 640e Start with the headset off. Press and hold the silver call control button in 6-10 seconds. The light blinking blue first. Continue to hold the button down, then release the button when the indicator light starts to flash red then. Plantronics Pulsar 590 / 590E & 590A & Bluetooth: Start with the headset off. Press and hold the call control button, then turn on the headset and when the indicator light flashes red and blue, release the call control button. Once the headset is successfully paired the headset will blink blue. For Plantronics Pulsar 590 & 590A & The Universal Adapter: Start with the headset off. Press and hold the call control button. Feed the headset and when the indicator light flashes red and blue, loosen the call control button. Connect the universal adapter. Press and hold the pairing / connection button of the adapter for 7-10 seconds. When the adapter begins to blink red and blue release the buttons. The headset and the blue blink adapter when paired successfully. Plantronics Pulsar 260 for Plantronics Pulsar 260, start with pendant on. Press and hold the mute / game / pause button and the button simultaneously. When the indicator light flashes red and blue, release buttons. While the pendant is flashing red and blue, use the phone To search for Bluetooth devices and select *260 Plantronics. When asked for Passkey, type 0000. For Plantronics M2500 (discontinued): Start with the headphone on. Press and hold the call control button while also rotating the multi function dial up (out of the light) until the indicator light on the headset starts flashing in red and then green. When requested for Passkey, enter 0000. For the Plantronics M1000 (discontinued): hit and hold the volume/change switch until the indication light is interrupted. For the Plantronics M1500 and A500 adapter (discontinued): turn off the headset and the adapter off. On the headphone, press and hold the mute/volume dial until the indicator light starts flashing. In the adapter, press and hold the blue power button for 10 seconds. The light on the adapter will flash once after 3 seconds - Continue to hold the power button for 7 seconds until the light flashes red. If the pairing is successful, the headset will sound a tone and both headphone and adapter lights will be turned off. For both Plantronics M1000 / M1500 (discontinued): If you remove the battery cover from the headset and remove the battery itself. On the green PC board, there will be a letter followed by 4 numbers. These 4 numbers are your personal PIN code. code.
