March 6, 2024 2025-05-23 13:53 BrochureFlyerEmailApply Now! HKU has an alumni community of more than 280,000, providing leadership services in various industries such as retail, banking, technology, commerce, government, education, and ESG.The Career Development & Training Team consists of seasoned members with rich experience from the corporate sector. Members specialise in career coaching, employer engagement and operations. Together, they deliver career training and workshops, host company talks both on and off-campus and organise careers treks in various locations throughout the year.Alumni engagement is essential for building a strong alumni community and fostering knowledge exchange and friendships between students and alumni. It offers numerous benefits, such as expanding professional networks, facilitating personal and career development, and enhancing the overall MBA experience. Our Alumni Services department organises various initiatives, including networking events, an alumni portal, and regional alumni chapters, to enrich students' MBA journey.
