

I'm not a robot

Launch service Department website Contact A certified copy of a marriage certificate can typically be used as proof of marriage and other legal purposes. This is not a copy of the marriage license. Phone: 916-445-2684 Frequently Asked Questions What is the difference between a certified copy and a certified informational copy? A certified copy be used to obtain identification for a person named on the certificate, whereas a certified informational copy CANNOT be used. Persons who are not eligible to receive a certified copy can receive a certified informational copy. Both types of documents are certified copies of the original document on file with our office. Depending on the exact year of event, some Certified Informational Copies will have signatures and Social Security numbers removed. For more information, please refer to the application of the vital record you are seeking, or view our page, Authorized Copy vs. Informational Copy. Where can I find more FAQs regarding Marriage Certificates? How do I obtain a copy of my marriage certificate? Informational pamphlets and copies of all our applications for certified copies of birth, death, marriage, or divorce certificates can be downloaded online. Related services Apply for Birth Certificate Apply for Death Certificate Get Digital Vaccine Record Search for Personnel Licensing Women, Infants and Children (WIC) Topics Personal records, State info and laws, Keywords Family, Marriage, Marriage Certificate, Records, Wedding, Health, Share copy and redistribute the material in any medium or format for any purpose, even commercially. Adapt remix, transform, and build upon the material for any purpose, even commercially. The licensor cannot revoke these freedoms as long as you follow the license terms. Attribution You must give appropriate credit , provide a link to the license, and indicate if changes were made . You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use. ShareAlike If you remix, transform, or build upon the material, you must distribute your contributions under the same license as the original. No additional restrictions You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits. You do not have to comply with the license for elements of the material in the public domain or where your use is permitted by an applicable exception or limitation . No warranties are given. The license may not give you all of the permissions necessary for your intended use. For example, other rights such as publicity, privacy, or moral rights may limit how you use the material.
