LLCA has recently built a gymnasium with 15 additional classrooms at the West Campus on Sanderfer Road. McLemore Gymnasium ("The Mac") was dedicated and named in honor of Dusty McLemore, the founder of Lindsay Lane Christian Academy. Dusty and Patsy McLemore are great supporters of LLCA. Engraved bricks will be placed around the new flagpole in front of "The Mac." Our families, friends, and supporters have the opportunity to purchase personalized bricks to leave your legacy at our school. We have affectionately named the flagpole space "Legacy Island." Personalized bricks are available for \$200 each. We have space for 1,700, and our goal is to sell them all, raising over \$300,000. Bricks can be ordered in honor of a student or family, in honor of alumni, in memory of a loved one, with a business name, or with a Bible verse. Re-enrollment will be easier than ever as information from the past year can be updated where needed and submitted in only a few minutes using our online registration. The enrollment fee is \$300 for new students. The re-enrollment fee is only \$200 for returning students if it is paid before February 1st. Returning students will re-enroll through RenWeb. It's helped my child conquer their fears and understand why they think the way they do. We had a "D" in spelling from public school and within 9 weeks at LLCA with tutors and small groups, they had helped bring that grade up to an "A"! - Posted by Parent - mommy 5/2/9/2014 Our children have attended LLCA for 4 years, and we absolutely love it. They are learning so much! I am thrilled that my second grader started writing 5-paragraph essays (good ones), and my third grader learns morphology each week as part of vocabulary. The best thing, though, is that they are learning about everything through a biblical worldview, as Jesus Christ is the focus! Our school is our family, and everyone is so caring and compassionate. We are thankful for LLCA!!! - Posted by Parent - amyfr Endorse Lindsay Lane Christian Academy. Endorsements should be a few sentences in length.
