The "DigiYatra" is an industry-led initiative co-ordinated by the Ministry in line with the Prime Minister Shri Narendra Modi's Digital India's objective to transform the nation into a digitally empowered society. Digi Yatra - Digital processing of passengers at the airports. Passengers will be automatically processed based on facial recognition system at check points like: Entry point check, Entry in to Security Check, Aircraft Boarding. Additionally this will also facilitate self-Bag Drop and Check-in, using facial recognition to identify pax and data recall. Digi Yatra will facilitate paperless travel and avoid identity check at multiple points. Digi Yatra Enrollment Process Passenger can create Digi Yatra ID in a central system by providing following: 1. Name, 2. Email ID, 3. Mobile Number, 4. Details of Identity (Voter Id, Driving License, Aadhar etc) On submission Digi Yatra Id will be created. Pax can quote this number while booking the ticket. Pax data including Digi Yatra ID will be passed on to departure airport by the airlines. On first travel, the Pax has to go to registration kiosk at the airport for validating the ID. 1. In case of Aadhar the verification will be online. 2. In case of other id, CISF will manually verify. On successful verification the photo of pax will be added to Digi Yatra profile in central system. Processes at airport At the entry point E-Gate the Pax will scan his boarding pass or e-ticket (Print or a soft copy in mobile). On scanning the bar code/QR code the system will validate the passenger details and flight details. Digi Yatra ID will verify the identity by Face Recognition. On successful verification of Ticket and Digi Yatra ID, e-Gate will open. Also, Face with ticket PNR is made in to a single token for the rest of the journey at the airport. Passenger will gain entry to security area and aircraft Boarding through e-Gate operated on Facial Recognition System Pax need not show boarding pass or ID at multiple check points. Minimum human intervention. Less queuing time. The security is enhanced as the system will map the passenger with the PNR. Only bona fide passenger will be allowed entry at every check point. Airport operator will have real time information on Passenger load and resource planning becomes better. Airlines will be benefited by knowing the passenger position in the airport. Airport throughput will be enhanced. Digi Yatra Roadmap Digi Yatra Central platform will be operational by end of February, 2019. Bangalore and Hyderabad will be ready with pilot implementation by end of Feb 2019. AAJ intend to roll out the programme initially at Kolkata, Varanasi, Pune and Vijayawada, by April 2019. Digi Yatra platform will be built on 4 key pillars, like Connected Passengers, Connected Airports, Connected Flying and Connected Systems which can make it possible over a period of time for passengers to Plan their trips efficiently by identifying price trends and estimate future airfares at the time of ticket booking. Optionally link their Aadhaar to airlines and other ecosystem players at the time of booking for faster airport entry and automated check-ins without requiring any paper-based interventions. Da werden die einzelnen Tickets und Entscheidungen dahinter weiter ausgefht: Hier noch einmal die bereits gebuchten Strecken: 1. Meine Reise startet etwas unkonventionell in Mexico City. Ich bin als On-Board-Kurier mit United Airlines dort angekommen. Den Hflflug konnte ich mir aufgrund der besonders zeitkritischen Situation leider nicht frei aussuchen und fog daher mit der schnellsten Verbindung, was in diesem Fall United Airlines war. Den Delta-Status knnte ich in der Theorie kostenlos in die Business Class upgraden, jedoch ist dies heute leider nicht mglich in Verbindung mit der Meilenschrift bei SAS.Die Kontrolle ist sehr grndlich und ich steige als letzter Gast ins Flugzeug ein. Die Exit-Row habe ich wie erwartet fr mich allein. Die Einweisung erfolgt durch das Personal auf Englisch und Deutsch.Exit-Row in der Aeromexico B738Der Service ist typisch Economy, jedoch stets freundlich. Alkoholfreie Getrnke sind inklusive.Wir landen pktlich mit 10 Minuten Verfrhung in Denver. Die Einreise gestaltet sich dank Global Entry wie immer sehr einfach und ich bin in unter 3 Minuten von der Fluggsbrcke zum Gepckband gelaufen. Da ich kein Gepck aufgegeben habe, kann ich direkt Richtung Hotel-Shuttle laufen. Zu diesem Zeitpunkt bemerke ich, dass mir ein Planungsfehler unterlaufen ist. So etwas ist mir, trotz der sehr vielen Reisen, noch nie passiert: Ich habe fr dieselbe Nacht zwei verschiedene Hotels gebucht. Die Zimmer sind leider nicht mehr stornierbar, also muss ich den Verlust verkraften . Weiter mit Teil 2 (Delta) geht es im nchsten Post A Passport is an essential travel document for those who are travelling abroad for education, pilgrimage, tourism, business purposes, medical attendance and family visits. During the last few years, the growing economy and spreading globalization have led to an increased demand for Passport and related services. To meet this increased demand, the Ministry of External Affairs (MEA) launched the Passport Seva Project (PSP) in May 2010. Passport Seva enables simple, efficient and transparent processes for delivery of passport and related services. This project creates a countrywide networked environment for Government staff and integrates with the State Police for physical verification of applicant's credentials and with India Post for delivery of passports. Why passport is required? All Indian citizens who depart or intend to depart from India are required to be in possession of a valid passport or travel document. Under the Passports Act 1967, the Government of India may issue different types of passports and travel documents such as Ordinary Passport, Diplomatic Passport, Official Passport, Emergency Certificate and Certificate of Identity for the purpose. Procedure to Apply for Passport Other Services Passport Seva Portal also provides Police Clearance Certificate (PCC) - External website that opens in a new window and Identity Certificate online - External website that opens in a new window. Police Clearance Certificate Passport is a very valuable document. Thus, in order to ensure that it does not go in wrong hands, police verification is required for issuance of passport. Depending on whether an application is for issue of fresh passport or reissue of passport, Passport Office (PO) shall decide whether Police Verification is required for issuance of Passport to you. Users can apply for Police Clearance Certificate - External website that opens in a new window via e-Form Submission or Online Form Submission or apply in person - External website that opens in a new window. Identity Certificate Identity Certificate (IC) - External website that opens in a new window is normally issued to Tibetan Refugees residing in India, from the Regional Passport Office, Delhi (RPO Delhi) on recommendation by the Bureau of His Holiness the Dalai Lama (HHDL), New Delhi. In addition to Tibetan refugees, Stateless people residing in India may also apply for Identity Certificate at the Passport Office within whose jurisdiction they are currently residing. IC issuance is subject to clearance by Ministry of External Affairs (Consular, Passport and Visa (CPV) Division). In addition, clearance by State Government (Department of Home Affairs / Police) / Foreigner Regional Registration Office (FRRO) is also required for grant of No Objection to Return to India (NORI) to be stamped on the Identity Certificate - External website that opens in a new window. Users can apply for Identity Certificate - External website that opens in a new window via e-Form Submission or Online Form Submission or apply in person - External website that opens in a new window. Every year the number of tourists coming to India is increasing. Therefore, it becomes a necessity to provide hassle free immigration and visa related services to tourists and others arriving to India. Besides being a major business and services hub, Immigration Check Posts is the first point of contact that generates public and popular perception about the country, thus it necessitated a state of the art system for prompt and user-friendly services. In order to modernize and upgrade the immigration services, "Immigration, Visa and Foreigners Registration & Tracking (IVFRT)" has been identified and included as one of the Mission Mode Projects (MMPs) to be undertaken by the Ministry of Home Affairs under the National e-Governance Plan (NeGP). The core objective of this Project is to develop and implement a secure and integrated service delivery framework that facilitates legitimate travellers while strengthening security. The scope of the project includes 169 Missions, 77 ICPs (Immigration Check Posts), 5 FRROs (Foreigners Regional Registration Offices), and FROs (Foreigners Registration Offices) in the State/District Headquarters. The implementation of this MMP will enable authentication of traveller's identity at the Missions, Immigration Check Posts (ICPs) and Foreigners Registration Offices (FROs) through use of intelligent document scanners and biometrics, updation of foreigners' details at entry and exit points, improved tracking of foreigners through sharing of information captured during visa issuance at Missions, during immigration check at ICPs, and during registration at FRRO/FROs. A web portal for the Bureau of Immigration (BoI) under Ministry of Home Affairs (MHA), was launched on 10th April 2013 to provide online services as aimed in the MMP. The portal is a unified site for the complete information on the Immigration, Visa, Foreigners' Registration and Tracking (IVFRT) which is designed and developed by the IVFRT team. Services Offered by Bureau of Immigration A total of 37 services, including 9 core services, are to be covered under the MMP for streamlining and integrating Visa, Immigration and Foreigners Registration and Tracking processes. The 9 core services envisaged to be provided under this project are: Facility services to the traveler by providing multi-channel access to relevant information and submission of forms Online appointments, application status tracking, feedback and grievance redressal modules. Visa Issuance service Integrated database of 'unique case files' for travelers for effective collection and dissemination of traveler information Document verification and authentication services to the Mission, Immigration and FRO Effective facilitation of travelers at Immigration Effective targeted intervention through an integrated approach to profiling, risk assessment and watch-listing Interagency information and alert sharing services Alert generation and dissemination service Foreigner of Indian Origin Person of Indian Origin (PIO) All persons of Indian origin who are in possession of the passport of any other country except Pakistan, Bangladesh, Afghanistan, Nepal, Bhutan, China, Sri Lanka or any other country specified by the government, are eligible for PIO Card if they comply with the rules and regulations specified by the government. Overseas Citizenship of India (OCI) Foreigners of Indian origin (except Pakistan and Bangladesh) whose present nationality is such that their country of nationality allows dual citizenship in some form or other, are eligible to apply under OCI scheme, if he/she possesses evidence of self or parents or grandparents: Indian Citizenship (IC) Indian citizenship can be acquired by birth, descent, registration and naturalization. The conditions and procedure for acquisition of Indian citizenship are as per the provision of the Citizenship Act, 1955. Zu Peers Bericht gelangt ihr hier: [Semi-Live] Mit SkyTeam zum EuroBonus-Million! Reiseberichte Der eine oder andere wird es schon im BOOKED-Thread oder auf Travel-Dealz verfolgt haben: Ich konnte bei der EuroBonus Challenge nicht widerstehen und habe mich auf den SkyTeam Mileage Run. Bedeutet: 15 verschiedene SkyTeam-Airlines innerhalb von 2 Monaten. Bzw. in meinem Fall innerhalb von ca. 40 Tagen. Fr die Ausgangslage verweise ich mal auf folgenden Artikel. Da werden die einzelnen Tickets und Entscheidungen dahinter weiter ausgefht: Hier noch einmal die bereits gebuchten Strecken: 1. Meine Reise startet etwas unkonventionell in Mexico City. Ich bin als On-Board-Kurier mit United Airlines dort angekommen. Den Hflflug konnte ich mir aufgrund der besonders zeitkritischen Situation leider nicht frei aussuchen und fog daher mit der schnellsten Verbindung, was in diesem Fall United Airlines war. Den Delta-Status knnte ich in der Theorie kostenlos in die Business Class upgraden, jedoch ist dies heute leider nicht mglich in Verbindung mit der Meilenschrift bei SAS.Die Kontrolle ist sehr grndlich und ich steige als letzter Gast ins Flugzeug ein. Die Exit-Row habe ich wie erwartet fr mich allein. Die Einweisung erfolgt durch das Personal auf Englisch und Deutsch.Exit-Row in der Aeromexico B738Der Service ist typisch Economy, jedoch stets freundlich. Alkoholfreie Getrnke sind inklusive.Wir landen pktlich mit 10 Minuten Verfrhung in Denver. Die Einreise gestaltet sich dank Global Entry wie immer sehr einfach und ich bin in unter 3 Minuten von der Fluggsbrcke zum Gepckband gelaufen. Da ich kein Gepck aufgegeben habe, kann ich direkt Richtung Hotel-Shuttle laufen. Zu diesem Zeitpunkt bemerke ich, dass mir ein Planungsfehler unterlaufen ist. So etwas ist mir, trotz der sehr vielen Reisen, noch nie passiert: Ich habe fr dieselbe Nacht zwei verschiedene Hotels gebucht. Die Zimmer sind leider nicht mehr stornierbar, also muss ich den Verlust verkraften . Weiter mit Teil 2 (Delta) geht es im nchsten Post A Passport is an essential travel document for those who are travelling abroad for education, pilgrimage, tourism, business purposes, medical attendance and family visits. During the last few years, the growing economy and spreading globalization have led to an increased demand for Passport and related services. To meet this increased demand, the Ministry of External Affairs (MEA) launched the Passport Seva Project (PSP) in May 2010. Passport Seva enables simple, efficient and transparent processes for delivery of passport and related services. This project creates a countrywide networked environment for Government staff and integrates with the State Police for physical verification of applicant's credentials and with India Post for delivery of passports. Why passport is required? All Indian citizens who depart or intend to depart from India are required to be in possession of a valid passport or travel document. Under the Passports Act 1967, the Government of India may issue different types of passports and travel documents such as Ordinary Passport, Diplomatic Passport, Official Passport, Emergency Certificate and Certificate of Identity for the purpose. Procedure to Apply for Passport Other Services Passport Seva Portal also provides Police Clearance Certificate (PCC) - External website that opens in a new window and Identity Certificate online - External website that opens in a new window. Police Clearance Certificate Passport is a very valuable document. Thus, in order to ensure that it does not go in wrong hands, police verification is required for issuance of passport. Depending on whether an application is for issue of fresh passport or reissue of passport, Passport Office (PO) shall decide whether Police Verification is required for issuance of Passport to you. Users can apply for Police Clearance Certificate - External website that opens in a new window via e-Form Submission or Online Form Submission or apply in person - External website that opens in a new window. Identity Certificate Identity Certificate (IC) - External website that opens in a new window is normally issued to Tibetan Refugees residing in India, from the Regional Passport Office, Delhi (RPO Delhi) on recommendation by the Bureau of His Holiness the Dalai Lama (HHDL), New Delhi. In addition to Tibetan refugees, Stateless people residing in India may also apply for Identity Certificate at the Passport Office within whose jurisdiction they are currently residing. IC issuance is subject to clearance by Ministry of External Affairs (Consular, Passport and Visa (CPV) Division). In addition, clearance by State Government (Department of Home Affairs / Police) / Foreigner Regional Registration Office (FRRO) is also required for grant of No Objection to Return to India (NORI) to be stamped on the Identity Certificate - External website that opens in a new window. Users can apply for Identity Certificate - External website that opens in a new window via e-Form Submission or Online Form Submission or apply in person - External website that opens in a new window. You can calculate fee for Identity Certificate - External website that opens in a new window through Online Fee Calculator. Give Feedback or File Grievances Citizens can send their feedback - External website that opens in a new window or file their grievances - External website that opens in a new window on Passport Seva Portal. You can also contact the call centre at 1800-258-1800 for any queries related to passport. Related Links India is one of the most favoured destinations for tourists across the world. Every year the number of tourists coming to India is increasing. Therefore, it becomes a necessity to provide hassle free immigration and visa related services to tourists and others arriving to India. Besides being a major business and services hub, Immigration Check Posts is the first point of contact that generates public and popular perception about the country, thus it necessitated a state of the art system for prompt and user-friendly services. In order to modernize and upgrade the immigration services, "Immigration, Visa and Foreigners Registration & Tracking (IVFRT)" has been identified and included as one of the Mission Mode Projects (MMPs) to be undertaken by the Ministry of Home Affairs under the National e-Governance Plan (NeGP). The core objective of this Project is to develop and implement a secure and integrated service delivery framework that facilitates legitimate travellers while strengthening security. The scope of the project includes 169 Missions, 77 ICPs (Immigration Check Posts), 5 FRROs (Foreigners Regional Registration Offices), and FROs (Foreigners Registration Offices) in the State/District Headquarters. The implementation of this MMP will enable authentication of traveller's identity at the Missions, Immigration Check Posts (ICPs) and Foreigners Registration Offices (FROs) through use of intelligent document scanners and biometrics, updation of foreigners' details at entry and exit points, improved tracking of foreigners through sharing of information captured during visa issuance at Missions, during immigration check at ICPs, and during registration at FRRO/FROs. A web portal for the Bureau of Immigration (BoI) under Ministry of Home Affairs (MHA), was launched on 10th April 2013 to provide online services as aimed in the MMP. The portal is a unified site for the complete information on the Immigration, Visa, Foreigners' Registration and Tracking (IVFRT) which is designed and developed by the IVFRT team. Services Offered by Bureau of Immigration A total of 37 services, including 9 core services, are to be covered under the MMP for streamlining and integrating Visa, Immigration and Foreigners Registration and Tracking processes. The 9 core services envisaged to be provided under this project are: Facility services to the traveler by providing multi-channel access to relevant information and submission of forms Online appointments, application status tracking, feedback and grievance redressal modules. Visa Issuance service Integrated database of 'unique case files' for travelers for effective collection and dissemination of traveler information Document verification and authentication services to the Mission, Immigration and FRO Effective facilitation of travelers at Immigration Effective targeted intervention through an integrated approach to profiling, risk assessment and watch-listing Interagency information and alert sharing services Alert generation and dissemination service Foreigner of Indian Origin Person of Indian Origin (PIO) All persons of Indian origin who are in possession of the passport of any other country except Pakistan, Bangladesh, Afghanistan, Nepal, Bhutan, China, Sri Lanka or any other country specified by the government, are eligible for PIO Card if they comply with the rules and regulations specified by the government. Overseas Citizenship of India (OCI) Foreigners of Indian origin (except Pakistan and Bangladesh) whose present nationality is such that their country of nationality allows dual citizenship in some form or other, are eligible to apply under OCI scheme, if he/she possesses evidence of self or parents or grandparents: Indian Citizenship (IC) Indian citizenship can be acquired by birth, descent, registration and naturalization.
