Jaime Sabines was a renowned Mexican poet who lived from 1926 to 1999. He is considered one of the most important poets in Spanish-language literature. Throughout his life, he received numerous awards and honors for his work, including several literary prizes. Sabines' poetry was characterized by its colloquial tone and commitment to social issues, as well as its emotional depth and clarity. Sabines believed that poetry should evoke emotions and that the poet has a responsibility to convey those feelings authentically. He also had a significant impact on the publishing world in Spain, where he worked for several decades. This edition of Sabines' work brings together his most important poems from the 1950s to the 1970s, including some previously unpublished pieces. It is considered an essential collection in the history of Spanish-American literature. In addition to his literary contributions, Sabines was also a politician and a simple man who worked during the day at his brother's textile store and spent his evenings writing poetry.
